

## MERLOT 2007

### COMPOSITION

100% Merlot

### ORIGIN

Simonsberg ward, Stellenbosch, South Africa

### VINEYARD

From 9- and 15-year-old trellised vines on 5-wire Perold. Selected bunches were removed in two tranches before harvest to ensure maximum concentration of tannins and colour. Summer pruning ensured correct light exposure and canopy density.

### VINIFICATION

The juice from the handpicked grapes was fermented in rototanks and upright fermentors with the aid of selected yeast strains. Temperature was maintained at 25–30°C. The wine was racked and returned once daily, followed by two pump-overs per day, and then matured for 14 months in French oak (14% new).
